

STATEMENT BY DR ABU HASAN ISMAIL
PRESIDENT & GROUP CEO

I refer to the announcements dated 18 December 2018 made by Prestariang Berhad. I have ceased to be a major shareholder of Prestariang Berhad, following the sale of 117 million shares held indirectly by me, which were pledged to the banks.

I will remain as the President and Group Chief Executive Officer of Prestariang Group and have the support of the new institutional owners and the board of directors to continue to lead the management team.

I pledge to do the best to my utmost ability and with the support of all stakeholders, I am confident that we can build our core businesses and bring Prestariang to greater heights.
